ST. ALOISIUS UPDATED STATUS REGARDING CORONAVIRUS  
(covid-19):

The world health community continues to monitor closely the emergence of Coronavirus 2019 (COVID-19). At this time, no one knows how severe this outbreak will be.

First and foremost, we want to maintain a safe workplace and encourage and/or adopt practices protecting the health of employees, customers, visitors and others.

Our regular Outpatient Services i.e., Emergency Dept., Clinic, Lab, Radiology, Therapy Dept. are open and operating at St. Aloisius. However, Cardiac Rehabilitation and Scopes services have been canceled at this time.

And, since our first responsibility is to our residents and patients, no visitors are allowed in our Long Term Care or Hospital Acute Care with possible exception if a resident/patient is on hospice or critically ill. Any exception would be made on a case-by-case review.

If you have a fever, cold, flu, runny nose or other flu-like symptoms and need to be seen at St. Aloisius Medical Center please call ahead so we can expect you. Clinic 701 324-5131 or Emergency Dept. 701 324-4651.

Please watch our website [www.stalouisius.com](http://www.stalouisius.com) and our Facebook page for updates.
